## DÉCISION SUR ENTENTE DE RÈGLEMENT

---

### L'entente de règlement

¶ 1 Une entente de règlement a été conclue le 30 août 2018 entre le personnel de l'OCRCVM (« le personnel ») et Raphaël Vermette (« l'entente de règlement »).

¶ 2 L'audience par la formation d'instruction avait pour but de considérer si, en vertu de l'article 8215 des Règles de mises en application, d'examen et d'autorisation de l'OCRCVM, elle devrait accepter l'entente de règlement.

¶ 3 La question qui se posait, essentiellement, portait sur l'adéquation des sanctions que prévoit l'entente de règlement, celles-ci paraissant à première vue clémentes. La formation a jugé qu'au contraire elles sont tout à fait acceptables dans les circonstances.

¶ 4 Après avoir brièvement délibéré, la formation a avisé les parties qu'elle acceptait l'entente de règlement et que les motifs seraient communiqués plus tard.

### La contravention

¶ 5 La contravention alléguée dans l'entente de règlement est la suivante: « Le ou vers le 27 novembre 2014, l'intimé [Raphaël Vermette] a saisi des ordres alors qu'il devait raisonnablement savoir que leur saisie aurait ou serait susceptible d'avoir pour effet de créer une apparence fausse ou trompeuse d'activités de négociation sur le titre Goodfellow Inc. (GDL), ou un cours factice à l'égard de ce titre, contrevenant ainsi à la Règle 2.2 et à la Politique 2.2, ce pour quoi il est passible de sanctions en vertu de la Règle 10.4 des RUIM. »

### Les faits

¶ 6 Raphaël Vermette a reconnu sa conduite à la source de la contravention alléguée, à savoir d'avoir procédé à la saisie, l'annulation ou la modification de plusieurs ordres sur le titre de GDL, le 27 novembre 2014, dans le but de réduire l'écart entre le meilleur cours vendeur national et le meilleur cours acheteur national.

### **Sanctions prévues à l'entente de règlement**

¶ 7 Les arguments présentés par l'avocat de la mise en application au cours de l'audience ont surtout porté sur aux sanctions acceptées par Raphaël Vermette dans l'entente de règlement, eu égard à la contravention reconnue par lui :

- a. une amende totale de 5 000\$;
- b. une somme additionnelle de 1 000\$ au titre des frais de l'OCRCVM

### **L'acceptation de l'entente de règlement**

¶ 8 La formation a le pouvoir d'accepter ou de rejeter l'entente de règlement. Il est reconnu que la formation devrait accepter le règlement dans la mesure où les sanctions qui y sont prévues se situent « dans une fourchette raisonnable d'adéquation » (voir par ex. *Re Zhang* [2013] OCRCVM 35). La formation souscrit à ce principe et constate qu'en vertu de la jurisprudence prédominante, les sanctions proposées dans l'entente de règlement ne sont pas à l'écart d'une fourchette acceptable.

¶ 9 La formation a pris en compte les principes généraux exposés dans les lignes directrices sur les sanctions disciplinaires (« les lignes directrices ») et dans la jurisprudence, ainsi que de l'intérêt public. Elle a aussi pris en compte la nécessité de tenir compte à la fois de la dissuasion générale et de la dissuasion spécifique ainsi que les considérations exposées dans les lignes directrices pour déterminer si les sanctions proposées sont acceptables.

### **Facteurs atténuants**

¶ 10 Comme l'avocat de l'OCRCVM l'a souligné, plusieurs facteurs atténuants ont été pris en compte par le personnel de celle-ci. Ces facteurs, énumérés ci-dessous, ont grandement influencé la formation et ont été déterminant dans sa décision d'accepter sans réserve les sanctions proposées dans l'entente de règlement. Sans ces facteurs, les sanctions auraient sans doute pu paraître indument située à la limite inférieure de la fourchette raisonnable d'adéquation. Ces facteurs atténuants sont les suivants :

- a. le nombre limité des opérations reprochées;
- b. la courte période (une journée seulement) de la conduite fautive;
- c. l'absence de préjudice apparent causé aux participants du marché;
- d. l'absence d'avantage financier en faveur de Raphaël Vermette;
- e. les réprimandes sérieuses de son employeur à l'égard de Raphaël Vermette;
- f. le fait que Raphaël Vermette ait repris le cours sur le Manuel des normes de conduite de l'institut canadien des valeurs mobilières;
- g. le fait que Raphaël Vermette ait pris très au sérieux les manquements soulevés par l'OCRCVM et ait pleinement collaboré à l'enquête.

### **Conclusion**

¶ 11 Compte tenu des facteurs atténuants, la formation conclut que les sanctions proposées dans l'entente de règlement se situent dans une fourchette raisonnable de sanctions possibles et accepte l'entente de règlement.

Fait à Montréal, le 13 novembre 2018.

Michel Brunet

Jean Jeannot

François Demers

## **ENTENTE DE RÈGLEMENT**

### **PARTIE I – INTRODUCTION**

1. L'Organisme canadien de réglementation du commerce des valeurs mobilières (OCRCVM) délivrera un avis de demande pour annoncer qu'une formation d'instruction (la formation d'instruction) tiendra une audience de règlement en vue de considérer si, en vertu de l'article 8215 des Règles de mise en application, d'examen et d'autorisation de l'OCRCVM, elle devrait accepter l'entente de règlement (l'entente de règlement) conclue entre le personnel de l'OCRCVM (le personnel) et Raphaël Vermette (l'intimé).

### **PARTIE II – RECOMMANDATION CONJOINTE DE RÈGLEMENT**

2. Le personnel et l'intimé recommandent conjointement que la formation d'instruction accepte l'entente de règlement selon les modalités exposées ci-dessous.

### **PARTIE III – FAITS CONVENUS**

3. Pour les besoins de l'entente de règlement, l'intimé convient des faits exposés dans la partie III;
4. L'intimé est inscrit à titre de représentant auprès de l'OCRCVM depuis le 29 décembre 2010;
5. L'intimé est également inscrit à titre de gestionnaire de portefeuille auprès de l'OCRCVM, depuis le 25 juillet 2014;
6. L'intimé est à l'emploi de RBC Dominion valeurs mobilières inc. depuis le ou vers le 29 décembre 2010;
7. Le ou avant le 27 novembre 2014, l'intimé sollicite les ordres suivants sur le titre de Goodfellow Inc. (GDL) auprès de trois de ses clients :
  - Pour le client FD, achat de 2000 actions de GDL à un prix moyen de 9,50 \$ l'action;
  - Pour le client CL, achat de 1000 actions de GDL à un prix moyen de 9,50 \$ l'action;
  - Pour le client OT, vente de 200 actions de GDL à un prix compris entre 9,45 \$ et 9,55 \$ l'action.
8. Les comptes de ces trois clients étaient des comptes à honoraires, et aucune commission n'était facturée à ceux-ci lorsqu'ils achetaient et vendaient des titres;
9. Au cours de la journée du 27 novembre 2014, l'intimé saisit, annule ou modifie des ordres sur le titre GDL, tel que plus amplement décrit à l'Annexe A;
10. Les opérations d'achat sur le titre GDL par l'intimé, le 27 novembre 2014, représentent environ 95 % du volume total des achats sur ce titre pour cette journée;
11. Tel qu'il appert de l'activité de négociation plus amplement décrite à l'Annexe A et plus spécifiquement, entre 14 h 09 min 13 s et 14 h 11 min 25 s, un exemple de l'activité de négociation sur le titre GDL par l'intimé peut être illustrée comme suit :
  - Le meilleur cours vendeur national (NBO) est alors de 9,60 \$;
  - L'intimé saisit un ordre de vente pour 700 actions à un coût unitaire de 9,50 \$;
  - Cet ordre devient le NBO;
  - L'intimé annule ensuite cet ordre et saisit immédiatement après un nouvel ordre de vente pour le même nombre d'actions, cette fois à un coût unitaire de 9,48 \$;
  - Cet ordre devient le nouveau NBO;
  - L'intimé saisit alors un ordre d'achat pour 900 actions à un coût unitaire de 9,47 \$, lequel devient le meilleur cours acheteur national (NBB);
  - Cet ordre est exécuté partiellement compte tenu d'un ordre de vente saisi sur le marché opaque pour une quantité de 300 actions;

- L'intimé modifie ensuite le prix de son offre d'achat précédente à 9,40 \$ et annule son offre de vente pour 700 actions.
12. Ainsi, tel qu'il appert de l'Annexe A, l'intimé a saisi, modifié ou annulé à plusieurs reprises au cours de la journée du 27 novembre 2014, des ordres sur le titre GDL, alors qu'il devait raisonnablement savoir que ceux-ci auraient ou seraient susceptibles d'avoir pour effet de créer une apparence fautive ou trompeuse d'activité de négociation sur ce titre, de susciter un intérêt à l'égard de l'achat ou de la vente de ce titre ou d'engendrer un prix factice quant à celui-ci;
13. L'intimé a reconnu avoir procédé à la saisie, l'annulation ou la modification de plusieurs ordres sur le titre GDL, le 27 novembre 2014, dans le but de réduire l'écart entre le NBO et le NBB;
14. L'intimé n'avait pas l'intention de, ni n'a réalisé un profit personnel suite aux opérations ci-haut mentionnées;
15. L'intimé a subséquemment été réprimandé par son employeur et a repris le cours sur le Manuel des normes de conduite de l'Institut canadien des valeurs mobilières;
16. Depuis, l'intimé a pris très au sérieux les manquements soulevés par l'OCRCVM et a pleinement collaboré à l'enquête.

#### **PARTIE IV – CONTRAVENTIONS**

17. Du fait de la conduite décrite ci-dessus, l'intimé a contrevenu aux Règles universelles d'intégrité du marché (RUIM) suivantes :
- Le ou vers le 27 novembre 2014, l'intimé a saisi des ordres alors qu'il devait raisonnablement savoir que leur saisie aurait ou serait susceptible d'avoir pour effet de créer une apparence fautive ou trompeuse d'activité de négociation sur le titre Goodfellow Inc. (GDL), ou un cours factice à l'égard de ce titre, contrevenant ainsi à la Règle 2.2 et à la Politique 2.2, ce pour quoi il est passible de sanctions en vertu de la Règle 10.4 des Règles universelles d'intégrité du marché (RUIM).

#### **PARTIE V – MODALITÉS DE RÈGLEMENT**

18. L'intimé accepte les sanctions et les frais suivants :
- a) Une amende totale de 5 000 \$;
  - b) Une somme additionnelle de 1 000 \$ au titre des frais de l'OCRCVM.
19. Si la formation d'instruction accepte l'entente de règlement, l'intimé s'engage à payer les sommes mentionnées ci-dessus dans un délai de 30 jours suivant cette acceptation, à moins que le personnel et l'intimé ne conviennent d'un autre délai.

#### **PARTIE VI – ENGAGEMENT DU PERSONNEL**

20. Si la formation d'instruction accepte l'entente de règlement, le personnel n'engagera pas d'autre mesure contre l'intimé à l'égard des faits exposés dans la partie III et des contraventions de la partie IV, sous réserve des dispositions du paragraphe ci-dessous;
21. Si la formation d'instruction accepte l'entente de règlement et que l'intimé ne se conforme pas aux modalités de celle-ci, le personnel peut engager une procédure en vertu de la Règle 8200 contre l'intimé. Cette procédure peut se fonder en partie sur les faits exposés dans la partie III.

#### **PARTIE VII – PROCÉDURE D'ACCEPTATION DU RÈGLEMENT**

22. L'entente de règlement est conditionnelle à son acceptation par la formation d'instruction;
23. L'entente de règlement doit être présentée à une formation d'instruction dans le cadre d'une audience de règlement tenue conformément à la procédure exposée aux articles 8215 et 8428, ainsi qu'à toute autre procédure dont les parties peuvent convenir;
24. Le personnel et l'intimé conviennent que l'entente de règlement constituera la totalité des faits convenus présentés à l'audience de règlement, à moins que les parties ne conviennent que des faits additionnels

devraient y être présentés. Si l'intimé ne comparait pas à l'audience de règlement, le personnel peut communiquer des faits pertinents additionnels, sur demande de la formation d'instruction;

25. Si la formation d'instruction accepte l'entente de règlement, l'intimé convient de renoncer aux droits qu'il peut avoir, en vertu des règles de l'OCRCVM et de toute loi applicable, à une autre audience, à un appel ou à une révision;
26. Si la formation d'instruction rejette l'entente de règlement, le personnel et l'intimé peuvent conclure une autre entente de règlement ou le personnel peut demander la tenue d'une audience disciplinaire sur le fondement des mêmes allégations ou d'allégations connexes;
27. Les modalités de l'entente de règlement sont confidentielles jusqu'à leur acceptation par la formation d'instruction;
28. L'entente de règlement sera mise à la disposition du public lorsqu'elle aura été acceptée par la formation d'instruction et l'OCRCVM en publiera le texte intégral sur son site Internet. L'OCRCVM publiera aussi un sommaire des faits, des contraventions et des sanctions convenues dans l'entente de règlement;
29. Si l'entente de règlement est acceptée, l'intimé convient qu'il ne fera pas personnellement et que personne ne fera non plus en son nom de déclaration publique incompatible avec celle-ci;
30. L'entente de règlement prendra effet et deviendra obligatoire pour l'intimé et le personnel à la date de son acceptation par la formation d'instruction.

#### **PARTIE VIII – SIGNATURE DE L'ENTENTE DE RÈGLEMENT**

31. L'entente de règlement peut être signée en plusieurs exemplaires, tous les exemplaires constituant ensemble une entente liant les parties;
32. La télécopie ou la copie électronique d'une signature sera traitée comme une signature originale.
